NEW FOR TEENS THIS FALL:

MAKER Fridays

AT THE LIBRARY

**Students in grades 6-12, come
explore your inner Maker!**

**Work on a project of your own
and talk to other makers!
Guided sessions will occur
regularly, but unless otherwise
specified, registrants are free to
work on the project of their
choosing. A library staff
member will be on hand to
supervise and provide guidance,
as necessary. Come build with
LEGOs or perler beads, make
buttons or duct tape accessories,
explore origami or poster
making... the possibilities are
endless!**

**Every Friday at 3:30
starting September 21.
Registration is required.**

**Call 845-225-8585 or visit us online @ www.kentlibrary.org to learn more
