Discussion

Basketball Court – Question if highway can do it. We were told by Maureen that we cannot communicate with Bobby Nix directly to ask him questions about the basketball court. However, Brett said he has. So Pat said she would then speak to Bobby about the basketball rim. Curfew was mentioned.

Beautification – Lake Carmel – Wally got an estimate of \$1000 for plantings and mulch. A duplicate of plantings on opposite side of Lake Shore & Terry Hill. If the money comes from Advisory Board, it can be spent without TB approval. Discussion followed about cost and doing more than 1 project. Perhaps Terry Hill first or 3 smaller spots. Explore possible donations i.e.

Garage doors on lifeguard building – doors will be installed “in the fall” per Maureen.

Halloween Event w/Kent Recreation – this Sunday. Brett said it should be simple enough just set up and cook 12:30 to 12:45 start. Asking about volunteers. Only a few supplies needed, buns, ketchup, mustard etc.

Holiday Tree Lighting – Sunday December 2 - Mention was made that the gathering increases every year. Brett may add some new activities and retire older games. Pat will call “Santa”, Kent Police and others involved.

Restaurant on Route 311, Lana may have information about new owner. Discussed possible lease of LC parking lot. Owner same as who owns Route 22 restaurant. Septic tanks under parking lot. Can handle 48 customers at 1 time.

Roof on storage shed at beach 3 will be replaced per Maureen, no date given.
