Have an idea for Kent Community Day that you would like to sponsor? That can be arranged as well.

How will this benefit your business?

Kent Community Day draws approximately 1500-2000 residents from the Kent/Carmel area and you will have the opportunity to meet, speak and give out information to as many of them as you can during the day.

How will your business be recognized?

1. Your business name will be included on all printed publicity materials (flyers, newspaper ads).
2. Your business will have space at Kent Community Day to set up and give out materials.
3. A sign with your business name will be placed in front of the event you have sponsored.
