2015 Spookereë Parade

Halloween is just around the corner and that means it's time to break out our costumes for the annual Spookereë Parade!

This **FREE** event is open to all children 6th grade and under in our community. Come out dressed in your most spooky, creative and fun Halloween attire and of course be ready for a smashingly good time! We will have a costume judging contest (don't worry everyone will get something), candy, giveaways and best of all a parade around Ryan's Park!

No registration is required but children will have to fill out and sign a pledge card which encourages their awareness of the need to respect the property of the others year round and during Halloween.
