Dear Supervisor Fleming & Kent Town Board,

We currently have a vacancy at the position of Lieutenant within the police department. After interviewing the eligible candidates on the civil service list, it is my recommendation that we promote Sgt. Tara Flynn to Lieutenant.

Therefore, I respectfully request the Town Board appoint Sgt.Tara Flynn to the position of Lieutenant at the July 2, 2019 Town Board meeting.

I would like to take this opportunity to thank the board in advance.

Dear Supervisor Fleming and Members of the Town Board:

I am in receipt of a resolution by the Board of Trustees of the Kent Public Library, as well as a petition consisting of 112 pages and 981 signatures requesting that the following question be placed on the ballot to be voted on at the next general election:

SHALL THE ANNUAL CONTRIBUTION OF THE TOWN OF KENT FOR THE OPERATING BUDGET OF THE KENT PUBLIC LIBRARY BE INCREASED BY THIRTY NINE THOUSAND FIVE HUNDRED THIRTY SIX DOLLARS (\$39,536) TO THE SUM OF FIVE HUNDERD SIXTY SIX THOUSAND SIX HUNDRED EIGHTY SIX DOLLARS (\$566,686) ANNUALLY?

I have reviewed the Petition and verified 910 signatures as voters registered in the Town of Kent. I have also conferred with the Putnam County Board of Elections and been advised that ten percent of the votes cast for Governor by registered Kent voters at the last gubernatorial election equals 524 votes. Because the number of verified signatures on the Petition exceeds 524, I ask that the attached Resolution be placed on the Town Board Agenda for the July 2, 2019 meeting.

Town of Kent Supervisor Maureen Fleming Kent Town Board Members 25 Sybil's Crossing Kent Lakes, NY 10512

Subject: IMA with Town of North Salem

Dear Supervisor Fleming and Kent Town Board Members,

The Kent Highway Department has the opportunity to trade off two unnecessary trailers for a 1989 U.S. Navy Surplus All Terrain Forklift. The cost of this forklift new in 1989 was \$51,668.00.

I along with our Municipal Repairs Automotive Service Manager have visited the Town of North Salem Highway Department and inspected the U.S. Navy All Terrain Forklift that would be of great value to the Kent Highway Department for maneuverability in the salt dome and to expedite the snow get ready for equipping the trucks with plows and sanders.

The cost of a new All Terrain Trailer today would be approximately \$150,000.00. I have attached three comparables to show the value we will be getting. The seven ton trailer and landscape trailer we are trading off are of no value to us anymore being that we acquired a twenty ton trailer from the Putnam County Highway Department for free.

This is Shared Services working at its best to benefit the public all around.

Please do not hesitate to contact me if you have any questions.

Since ely,

Richard T. Othmer, Jr. Kent Highway Superintendent

Dear Maureen,

I tried last year to see if our lake, Kentwood Lake, could borrow the dormant weed harvester at Lake Carmel. As you can see our lake is unusable. You can not fish or swim in it. Can you please help us and save our community.

Thank you,

John Christensen

To Whom It May Concern:

I am writing to express my interest in the recent vacancy on the Kent Conservation Advisory Committee (KCAC). I have been a resident of the Town of Kent for almost thirty-five years, living in the Lake Carmel Park District. I am a retired New York State educator and administrator. I have volunteered for the KCAC in the past, participating in hikes, cleanups, and stone chamber surveys. Currently I am a member of the Cornell Cooperative Extension Putnam County Executive Board. In addition, I am a Master Gardener volunteer and have implemented and participated in a variety of community programs, including Families Growing Together, Vegetable Garden training for PARC staff, co-chairing the plant sale for the past five years, 4H Fair volunteer, and judging 4H public speaking events. Recently I have begun leading Master Gardener Volunteer Guided Hikes throughout Putnam County. I am an active member and fundraiser for the Kent Historical Society. For the past year I have been a volunteer and member of the Putnam History Museum in Cold Spring.

My educational background includes a BA from Loyola University in Baltimore, an MA degree from New York University, and additional coursework and certifications.

I met and worked with Beth Herr in the past; we have both served on the Model Forest Committee at Clearpool. Several weeks ago I was asked if I would be interested in getting involved with the KCAC. It would be my honor to serve as a volunteer member of the KCAC.

Thank you for your time and consideration,
