Date: July 21 2022

Subject: Sanitation Fleet

Supervisor Jaime McGlasson and Town Board Members,

This letter is to inform the Town Board on the status of the purchase of a Sanitation truck. The last letter written dated February 22, 2022 was to inform the Board regarding a price increase. (see attached letter) Since then there was a massive shortage in truck parts and electronics. This truck was taken off the list of vehicles to be built due to this supply shortage.

Recently I was contacted by the selling dealer to inform me of another price increase along with no build time. They estimated 2-year delivery date as of August 2022.

There was a Board resolution to purchase this Sanitation truck (resolution attached) from Beam Mack,

For a purchase price of \$247,216.60.

I worked with Sanitation Foreman Rich Rivera and I found another truck (specifications attached) to purchase off Sourcewell Contract # 091219-NWY that will fit the needs for the Town of Kent Sanitation Department.

I am requesting the Town Board amend the original approval to purchase from Beam Mack to purchase from Long Island Sanitation Equipment,

2024 Freightliner with a New Way King Cobra 25 Yard Compactor

Total price from Sourcewell Contract # 091219-NWY = \$248,924.00

The price difference is \$1,707.40 from the original approval dated March 7, 2022

we can take delivery late January 2023 to early February 2023. This is the best value I found for the Town of Kent, it fits all of the needs for the Sanitation Department.

If you have any questions, please contact me anytime.

Thank you,

Nicholas Mancuso

Supervisor Jaime McGlasson and Town board members,

Per my last letter to the Town dated February 17, 2022 regarding the purchase of a Sanitation truck I am attaching an updated price sheet. There were some options that were not listed on the past spec sheet and had them added in. For an example locking of the rear differential. This is extremely helpful in snow and foul weather. The updated price is \$247,216.60

I look forward to your response in this matter and if you have any questions please do not hesitate to contact me.

Thank you,
