Below are the three quotes we have obtained for 60 cubic yards of engineered wood fiber for the playground at Ryan's park.

1. Ferris Mulch Products:

Here are two options for delivery for the certified playground mulch from Ferris Mulch Products. This was the lowest quote out of the three.

Option 1:

Two deliveries in our 30 yard truck
30 yards of Playground @ \$29 per yard
Carmel Delivery \$100

OR

Option 2:

If a large tractor trailer can fit, we can deliver all at once but has to be a minimum of 65 yards
65 Yards of Playground @ \$27 per yard
