Re: Water District # 1- Annual CCR Water Reports- Year ending 2011

Dear Sir:

I have enclosed (2) copies of the annual water quality report for the above referenced. Please distribute to the residents of the district before May 31, 2012. You may either post this report to your website or distribute through the mail.

Please call my office when you have followed through with the above and let me know how you have distributed the report as I must report to the New York State Health Dept the method of distribution. You may contact me at (845) 279-4324 with any questions.

Sincerely,

Marie E. Hershchuk
Office Manager
